

Lock Arms for Life.

Lock Arms for Life is committed to finding a way to prevent accidental gun injuries and deaths.

*What makes the Lock Arms for Life call for change different? We support firearms enthusiasts. We are not against legally owned rifles and handguns. What we ARE against is irresponsible and unsafe storage. When not in use, firearms should be safely stored for everyone's safety. Help us save lives from the preventable consequences of unsecured firearms. Let's all **Lock Arms for Life.***
